1. What is this product about?

**Brief product information**

Al-Awfar product offers opportunity to win prize draw under the Shariah contract of Hibah. Each investment must be an active account to be eligible for the prize draw. The Bank has the right to review the criteria, eligibility, entry requirement, and frequency of the draw whatsoever from time to time. Cash prizes will be credited into the Al-Awfar Account within 14 working days from the date of the Bank’s announcement of the prize winner.

**Type of Investment Account**

"Unrestricted Investment Account" refers to a type of investment account where the investment account holder (IAH) provides the Bank with the mandate to make the ultimate decision without specifying any particular restrictions or conditions.

"Investment Account" as defined under the Islamic Financial Services Act 2013 (IFSA) means an account under which money is paid and accepted for the purposes of investment, including for the provision of finance, in accordance with Shariah on terms that there is no express or implied obligation to repay the money in full and:

(a) either only the profits, or both the profits or losses, thereon shall be shared between the person paying the money and the person accepting the money; or
(b) with or without any return.

For the purpose of this Al-Awfar Account, and based on the Shariah principle of mudarabah, the investment account holder and the Bank will share any profits deriving from the investment activities managed by the Bank whilst financial losses will be borne by the investment account holder solely provided that such losses are not due to the Bank’s misconduct, negligence, or breach of specific terms."

Al-Awfar Account also offers opportunity to receive cash prizes from the Bank through monthly, quarterly and half yearly.

**Parties Involved in the Investment Activities and Their Roles and Responsibilities**

- The parties involved are IAH as capital provider and the Bank as the entrepreneur. The Bank as entrepreneur will be responsible to manage the capital provided by the IAH towards investment activities.
- The IAH will not be involved in the investment activities.

2. What is the Shariah concept applicable?

This product is under the Shariah principle of Mudarabah and Hibah.

- **Mudarabah**: A contract between a capital provider (rabbul mal) and an entrepreneur (mudarib) under which the rabbul mal provides capital to be managed by the mudarib and any profit generated from the capital is shared between the rabbul mal and mudarib according to mutually agreed profit sharing ratio (PSR) whilst financial losses are borne by the rabbul mal provided that such losses are not due to the mudarib’s misconduct, negligence, or breach of specific terms.

- **Hibah**: A transfer of ownership of an asset from a donor (wahib) to a recipient (mawhub lahu) without any consideration.

Under this Al-Awfar Account, the IAH as the capital provider or rabbul mal shall provide capital to be managed by the Bank as the entrepreneur or mudarib with a view of sharing profits arising from the investment activities managed by the Bank.

**Formula:**

\[
\text{Cumulative Daily Balance for the Month} \times \text{Gross Rate} \times \text{PSR} \times \frac{\text{Number of Days in The Month}}{365}
\]

Where:

- Rate = The annual gross rate of return ('R') is the rate in which the profit sharing for mudarabah-based investment is being made. The actual return paid to IAHs will be based on the agreed PSR on the prevailing "R".
- The gross rate of return changes at every 16th of the month.

**Illustration:**

Date of Account Opened = 1 Jun 2020
Date of Month End = 30 Jun 2020
Number of Days in the Month = 30 days
Cumulative Daily Balance For The Month = RM10,000
Gross Rate = 3%
Profit sharing ratio = 2:98
Profit proceeds = RM10,000 x 3% x 2% x 30/365 = RM0.49

**Note:** The above is for illustration purposes only. Profit and charges may vary and subject to the Bank’s terms and conditions.

### Profit Payment Method

Profit will be credited into customer’s account every month end or upon closing of the account.

### Key Terms and Conditions

6. **What are the key risks associated with this product?**

The Bank will apply risk management controls over portfolio, legal and operational activities; including asset allocation, liquidity adherence to investment objective and parameters, valuation, monitoring performance and others as per guided in the BNM’s Investment Account Policy. Notwithstanding the above, in times of adversity in the markets the Bank may manage its asset allocation to safeguard the investment portfolio provided that such investment is within the investment objectives of the Fund.

As such, you are advised to carefully consider all risk factors before making an investment decision. IAH will be exposed to the following risks:

(a) **Market risk:** refers to the potential impact of adverse price movements (e.g. profit rate, foreign exchange rates or equity prices, where applicable) on the economic value of an asset;
(b) **Credit risk:** refers to the potential that the Bank fails to meet its obligations to IAH in accordance with agreed terms and conditions;
(c) **Liquidity risk:** refers to the potential loss arising from the liquidity risk for IAH where there shall be lesser return and possible capital erosion.
(d) **Operational risk:** refers to the potential loss resulting from inadequate or failed internal processes, people and systems or external events.
(e) **Legal risk:** IAH should ensure that, in entering into this investment it is not in breach of any laws, regulations, contractual or any other legal limitations that may apply to investors. This investment is issued subject to all applicable laws, regulations and guidelines. In the event of change in such laws, regulations or guidelines, Bank Islam may be obliged to change some or all the terms and conditions of the investment, including the possibility of an early termination.
