

## Frequently Asked Questions (FAQ)

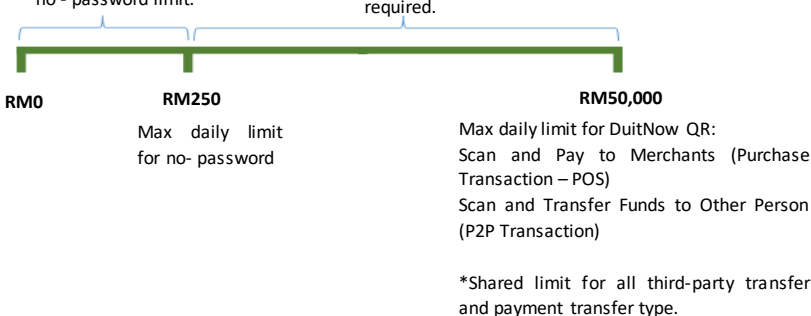

GLOSSARY		
1	Biometric Authentication	An authentication method using Face or Fingerprint(s), as the case may be, to authenticate or verify your identity or Instructions.
2	Dynamic QR	QR Code that is generated after the merchant or recipient keys-in the amount of the payment or credit transfer.
3	Interoperability	In DuitNow QR context, it means the ability to work with other banks and eWallets in terms of scanning and accepting the QR code. For example, a restaurant is displaying a DuitNow QR code provided by Bank Islam. A customer can use any of the participating mobile banking application or eWallet to scan the QR code to pay.
4	P2P QR	Person-to-Person (P2P) QR is a fund transfer from an individual's bank account to another individual's bank account via Quick Response (QR) Code.
5	QR Code	A two-dimensional barcode that can be read using the camera of a smartphone or mobile device that is equipped with QR reader.
6	Static QR	QR Code displayed which requires you to key-in the amount of the payment or credit transfer.

DUITNOW QR		
1	What is DuitNow QR?	DuitNow QR is Malaysia's National Quick Response (QR) Standard which was established by PayNet under the Bank Negara Malaysia Interoperable Credit Transfer Framework (ICTF). It enables customers to make payment from any participating banks or e- wallet mobile apps.
2	How does DuitNow QR differ from the existing QR payments offered by banks and e-Wallet providers?	DuitNow QR allows interoperability between all participating banks and e-wallets which means you can just use one app to scan DuitNow QR code provided by any of the participants. With that, merchants can just display one QR code to their customers.
3	Who can use DuitNow QR?	<p>All new and existing Bank Islam Mobile Banking (currently known as GO by Bank Islam) users with the latest version of Bank Islam Mobile Banking app (V.2.2.8 and above).</p> <p>How to check your Mobile Banking app version:</p> <ol style="list-style-type: none"> <li>Launch the app.</li> <li>At the front page, select the Menu button, the version is indicated at the bottom.</li> </ol> <p>You may download the latest version from Google Play, App Store or Huawei App Gallery.</p>

No	Question	Answer
10	What is my daily limit and how is the security in place?	<p>Scan and pay without biometric or password. Biometric is required if the total amount exceeded the no - password limit.</p> <p>Password is required.</p>  <p>No-password limit can be set up to RM250 daily. For example, if you set your no-password limit to RM50, you can scan QR code to pay without any biometric or password up to RM50 in total.</p> <p>*Maximum limit per day for P2P and Point-of-Sales (POS) Transaction:</p> <ul style="list-style-type: none"> <li>• Resident: RM50,000.00</li> <li>• Non-Resident: RM10,000.00</li> </ul> <p>The default limit for P2P transaction is RM5,000.00 and is also subject to the 3<sup>rd</sup> party transfer limit set by you.</p>
11	I can't perform any transaction through DuitNow QR. What should I do?	<p>If you're facing issues with DuitNow QR, please try any of these methods:</p> <ul style="list-style-type: none"> <li>• Restart device - Many common issues can be fixed by turning off and restarting the device.</li> <li>• Check data connection – A strong internet connection (Wi- Fi or mobile data) is required to use the app. Re-launch the app when the internet connection is good.</li> <li>• Check device's available storage – If the storage space is low, please uninstall other apps or delete items like pictures or videos to free up space. The problem could also be attributed to multiple suspended apps running in the background. Please close unused apps to free up memory and resources</li> <li>• Clear cache and data - Clear cache and data on the App Store or Google Play Store application and try to download the app again.</li> <li>• Update to the latest version of the GO by Bank Islam app or uninstall and re-install the app.</li> </ul>
12	What are the security features in place?	<p>You can set your preferred daily transaction limit from RM0 to RM50,000. However, there is a cumulative limit that you can set to enable authentication for your transaction.</p>

Bank Islam Malaysia Berhad • 198301002944 (98127-X)

No	Question	Answer
		Password or biometric is required to proceed with DuitNow QR if more than RM250 per transaction. Below the cumulative limit, no authentication required.
13	How do I safeguard my DuitNow QR from being abused?	<p>You can prevent others from using your DuitNow QR by following these simple guidelines:</p> <ul style="list-style-type: none"> <li>• Ensure your device is protected with biometric, PIN or pattern.</li> <li>• Do not save any other biometrics except your own on your mobile devices.</li> <li>• Do not leave your device unattended.</li> <li>• Set your DuitNow QR limit based on your comfort level.</li> <li>• Regularly check your account activity for any discrepancies or unauthorised transaction.</li> </ul>
14	What are the safety measures to be taken before proceeding with the DuitNow QR transaction?	<p>You are required to ensure the following:</p> <ul style="list-style-type: none"> <li>• Check the amount to be paid.</li> <li>• Check the merchant's details (business name) before proceeding with the DuitNow QR transaction.</li> </ul>
15	What happens if I lose my mobile phone?	Please call our Contact Centre at +603 26 900 900 to have your Bank Islam Mobile Banking app temporarily suspended.
16	Do I need to key in my password every time I launch and use DuitNow QR?	<p>No. However, below are instances where password is required:</p> <ul style="list-style-type: none"> <li>• First-time set up of DuitNow QR</li> <li>• Change of DuitNow QR settings including payment limit and default account.</li> </ul> <p>QR payment of more than RM250 per transaction or exceeding RM250 in total or if the transaction amount exceeds the no-password limit set by you.</p>
17	Which debiting account can I choose for DuitNow QR?	You can choose either from your current account, savings account, or transactional investment account.
18	May I know why at times I don't have to enter the amount to be paid?	This is because the recipient has already fixed the amount to be paid. Hence, when you scan the DuitNow QR Code, you will be making a payment for the exact amount. The amount will be displayed on the screen for your confirmation.
19	How long will it take to process DuitNow QR?	DuitNow QR payments/transfers will be processed immediately.
20	How do I know my payment status?	After you have made the payment, the status will be displayed on the screen, and you will also receive a notification via push notification. Alternatively, you may view the transactions in your account history.
21	How do I know if the payment was successfully made and debited from my account?	Once you have scanned a QR code and made a payment, you will receive a push notification on the successful status of payment. You will also see an acknowledgement page regarding the successful status of payment. Alternatively, you may check the transaction history for successful payments made or click on "Inbox" to check payment status.
