Frequently Asked Questions (FAQ) GO by Bank Islam

No	Question	Answer
GENERAL		
1	What is GO by Bank Islam?	It is a mobile banking application offered by Bank Islam that allows you to access your Bank Islam's accounts and perform selected services quickly and securely from your mobile device 24 hours a day.
2	How is GO by Bank Islam application different from the previous Bank Islam mobile application?	GO by Bank Islam application allows you to access your banking accounts and perform new and favourite transactions that you have registered through Bank Islam Internet Banking. The previous Bank Islam mobile application can only be used to perform authorization for transactions above RM10,000.
3	What are the types of mobile devices which support GO by Bank Islam application?	GO by Bank Islam application is currently supported by any smart phone and tablet of the below specifications: a) iOS 13.0 and above b) Android 10 and above You cannot use the application if your device is jail-broken or rooted. Always update your operating system and applications for optimum service.
4	Why do I have to upgrade my operating system?	Using an outdated operating system may put your information at risk. It is recommended that you update your phone's operating system to the latest version for maximum protection.
5	I have both a sole proprietorship account and an individual account. Can I have two GO by Bank Islam app on my device?	For security reasons, we recommend using one user ID per device. When you perform a transaction, you will receive push notifications via the app in the device and you will need to perform authentication through GO Secure to authorize transactions initiated from Bank Islam's Internet Banking or GO by Bank Islam.
