**AL-AWFAR ACCOUNT**

**1<sup>ST</sup> AUGUST 2019**

## BRIEF INFORMATION ON THE PRODUCT

### 1. What is this product about?

Name of Product	Al- Awfar Account
Applicable Shariah Contract	<p><i>Mudarabah</i>: A form of contract between the capital provider (<i>rabbul mal</i>) and an entrepreneur (<i>mudarib</i>) under which the <i>rabbul mal</i> provides capital to be managed by the <i>mudarib</i> and any profit generated from the capital is shared between the <i>rabbul mal</i> and <i>mudarib</i> according to a mutually agreed profit sharing ratio whilst financial losses are borne by the <i>rabbul mal</i> provided that such losses are not due to the <i>mudarib</i>'s misconduct, negligence, or breach of specific terms.</p> <p><i>Hibah</i> : A transfer of ownership of an asset from a donor (<i>wahib</i>) to a recipient (<i>mawhub lahu</i>) without any consideration</p> <p>Under this Al- Awfar Account, the Investment Account Holder (IAH) as the capital provider or <i>rabbul mal</i> shall provide capital to be managed by the Bank as the entrepreneur or <i>mudarib</i> with a view of sharing profits arising from the investment activities managed by the Bank.</p> <p>Al-Awfar product offers opportunity to win prize draw under the Shariah contract of Hibah. Each investment must be an active account to be eligible for the prize draw. The Bank has the absolute discretion to review the criteria, eligibility, entry requirement, and frequency of the draw whatsoever from time to time as the Bank considers appropriate. Cash prizes will be credited into the Al-Awfar Account within 14 working days from the date of the Bank's announcement of the prize winner.</p> <p>For further details, kindly refer to the Terms and Condition of Al-Awfar product.</p>
Type of Investment Account	<p><b>Unrestricted Investment Account:</b> refers to a type of investment account where the investment account holder provides the Bank with the mandate to make the ultimate decision without specifying any particular restrictions or conditions.</p> <p><b>"Investment Account"</b> as defined under the Islamic Financial Services Act 2013 ("IFSA") means an account under which money is paid and accepted for the purpose of investment, including for the provision of finance, in accordance with Shariah on terms that there is no express or implied obligation to repay the money in full and –</p> <ul style="list-style-type: none"> <li>(a) either only the profits, or both the profits or losses, thereon shall be shared between the person paying the money and the person accepting the money; or</li> <li>(b) with or without any return.</li> </ul> <p>For the purpose of this Al- Awfar Account, and based on the Shariah principle of <i>mudarabah</i>, the investment account holder and the Bank will share any profits deriving from the investment activities managed by the Bank whilst financial losses will be borne by the investment account holder solely.</p> <p>Al- Awfar Account also offers opportunity to receive cash prizes from the Bank through monthly, quarterly and regional draws.</p>

<b>Parties Involved in the Investment Activities and Their Roles and Responsibilities</b>	The parties involved are the investment account holder as capital provider and the Bank as the entrepreneur. The Bank as entrepreneur will be responsible to manage the capital provided by the investment account holder towards investment activities as it deems fit. The investment account holder will not be involved in the investment activities.

#### 5. What are the key risks associated with this product?

The Bank will apply risk management controls over portfolio, legal and operational activities; including asset allocation, liquidity adherence to investment objective and parameters, valuation, monitoring performance and others as per guided in the BNM's Investment Account Policy. Notwithstanding the above, in times of adversity in the markets the Bank may manage its asset allocation to safeguard the investment portfolio provided that such investment is within the investment objectives of the Fund.

As such, you are advised to carefully consider all risk factors before making an investment decision. Investment account holders will be exposed to the following risks:

- i. **Market risk** : refers to the potential impact of adverse price movements ( e.g. profit rate, foreign exchange rates or equity prices, where applicable ) on the economic value of an asset;
- ii. **Credit risk** : refers to the potential that the Bank fails to meet its obligations to investment account holder in accordance with agreed terms and conditions;
- iii. **Liquidity risk**: refers to the potential loss arising from the liquidity risk for investment account holder where there shall be lesser return and possible capital erosion.
- iv. **Operational risk**: refers to the potential loss resulting from inadequate or failed internal processes, people and systems or external events.
- v. **Legal risk**: Investment account holders should ensure that, in entering into this investment it is not in breach of any laws, regulations, contractual or any other legal limitations that may apply to investors. This investment is issued subject to all applicable laws, regulations and guidelines. In the event of change in such laws, regulations or guidelines, Bank Islam may be obliged to change some or all the terms and conditions of the investment, including the possibility of an early termination.
