1 WHAT IS BUSINESS FINANCING-i (BF-i)

Business Financing-i is a term financing product designed for the Bank's non-individual customers to finance the Shariah compliant needs of the business which includes for working capital, business expansion, asset acquisition, etc. This product is offered at a fixed or variable rate. For a facility with a variable rate, the instalment payments (monthly, quarterly, half yearly or yearly) may be varied from time to time based on changes to the Bank's Base Financing Rate (BFR) provided always the total instalment amount shall not exceed the Bank's Sale Price. In contrast, instalment payments under the fixed rate facility remain constant throughout the financing tenure.

The applicable Shariah contract is Tawarruq which consists of two sale and purchase contracts. The first involves customer purchases a commodity from Bank Islam (as the customer's purchase agent) on Murabahah (cost plus sale) basis at Bank Islam's Sale Price. Subsequently, Bank Islam (who act as customer's sale agent), sells the commodity to a third party at cost price on a cash and spot basis, and the proceeds are given to the customer. The customer must pay Bank Islam's Sale Price as per the agreed terms.
