

Dear Customer,

This Product Disclosure Sheet (PDS) provides you with key information on your trade facility. Other customers have read this PDS and found it helpful, you should read it too.

1 WHAT IS LETTER OF CREDIT TRANSFER-i (LCT-i)

LCT-i is a service that allows you as a 1st Beneficiary to transfer full or partial amount of a Letter of Credit (LC) to a 2nd beneficiary. It is governed under the Uniform Customs and Practice for Documentary Credit, ICC Publication No. 600 (UCP 600).

Should you need someone else to supply the goods required, you may ask for a transferable LC from the applicant. Upon receiving the Inward LC (ILC), the said ILC can be transferred to a 2nd Beneficiary in full or partial amount of the original ILC value. By doing so, you are still capable to meet the terms and conditions of the ILC, at the same time maintaining the relationship with the importer.

LCT-i enables you to control the trade transaction better and arrange similar terms in procuring the goods from the supplier/ manufacturer to be delivered to the buyer. It also allows you as the 1st Beneficiary to change the invoice and draft, if any, to meet the terms and conditions of the master LC to get payment.

The applicable Shariah concept is Wakalah Bil Ujrah (Agency with Fee), a contract where you appoint Bank Islam to act as an agent to carry out specific/ certain task under a facility with a payment for service.
