

STEP TO REDEEM TRUPOINTS THROUGH PAY WITH REWARDS APP (PWR).

There are three (3) mode to setup your TruPoints redemption in this apps. You may change this mode from time to time at your convenience.

NO PURCHASE MODE

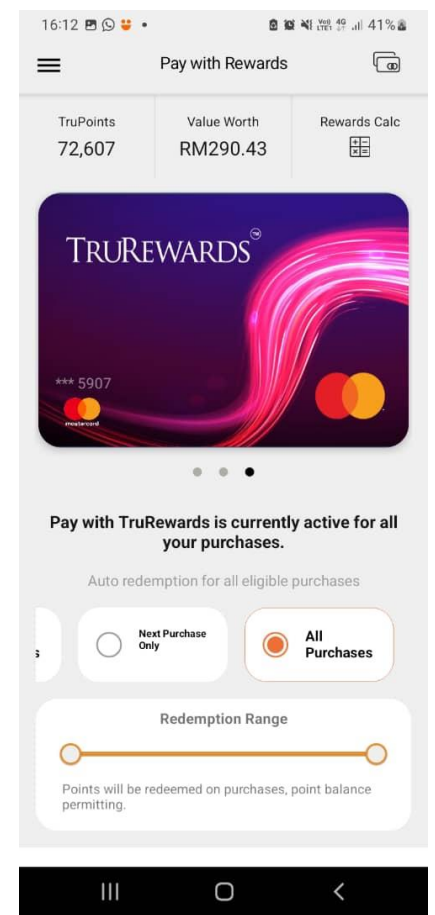

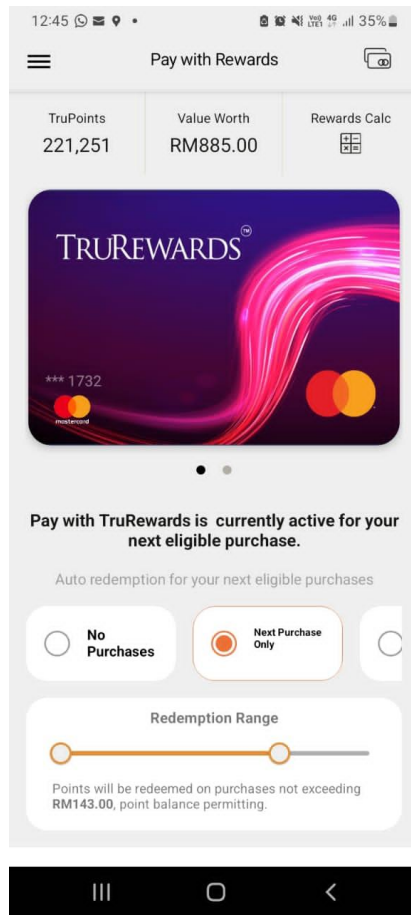

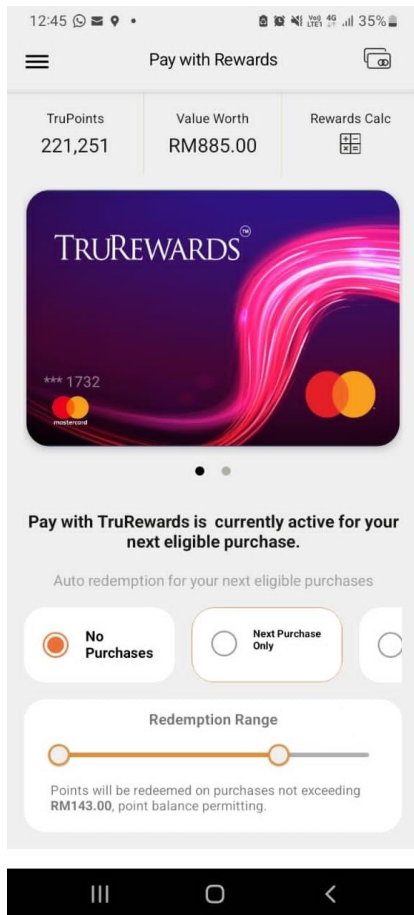

You can view your accumulated TruPoints earned from all participating products and services of Bank Islam. If you wish to redeem your TruPoints, you may select transaction which eligible to redeem & click redeem.

NEXT PURCHASE MODE

You can set to redeem your TruPoints for your next purchase. TruPoints will be redeemed automatically by this apps if your TruPoints balance is sufficient to cover the transaction cost. You can redeem your TruPoints once a day only.

ALL PURCHASE MODE

In this mode, TruPoints will be redeemed automatically by this apps if your TruPoints balance is sufficient to cover the transaction cost.

Note: You still can perform post-purchase redemption for all mode by selecting the transaction with status "eligible to redeem" & click redeem.
