6. What are the key risks associated with this product?

The Bank will apply risk management controls over portfolio, legal and operational activities; including asset allocation, liquidity adherence to investment objective and parameters, valuation, monitoring performance and others as per guided in the Bank Negara Malaysia (BNM)'s Investment Account Policy. Notwithstanding the above, in times of adversity in the markets, the Bank may manage its asset allocation to safeguard the investment portfolio provided that such investment is within the investment objectives of the fund.

As such, you are advised to carefully consider all risk factors before making an investment decision. IAH will be exposed to the following risks:

- (a) **Market Risk**: refers to the potential impact of adverse price movements (e.g. profit rate, foreign exchange rates or equity prices, where applicable) on the economic value of an asset.
- (b) **Credit Risk**: refers to the potential that the Bank fails to meet its obligations to IAH in accordance with agreed terms and conditions.
- (c) Liquidity Risk: refers to the potential loss arising from the liquidity risk for IAH where there shall be lesser return and possible capital erosion or loss.
- (d) **Operational Risk**: refers to the potential loss resulting from inadequate or failed internal processes, people and systems or external events.
- (e) Legal Risk: IAH should ensure that, in entering into this investment it is not in breach of any laws, regulations, contractual or any other legal limitations that may apply to investors. This investment is issued subject to all applicable laws, regulations and guidelines. In the event of change in such laws, regulations or guidelines, Bank Islam may be obliged to change some or all the terms and conditions of the investment, including the possibility of an early termination.
- (f) **Shariah Non-Compliance Risk**: refers to the possible failures to meet the obligation to Shariah principles or in other words, possible incidences of Shariah non-compliances.

7. What are the fees and charges involved?

- The Bank waives the Wakalah fee.
- No penalty charges will be imposed for any early/ pre-mature redemption.

Note: The IAH agrees that the Bank shall be entitled to charge a fee for any of its services provided to the IAH at the rates imposed by the Bank (as approved by BNM and subject to Shariah rules and principles) and as set out in the PDS and/or the Bank's website.

8. What is the valuation strategy adopted, its frequency and where does it published?
